SUNSHINE YOGA FOR CHILDREN!

www.annebatcheler.co.uk

Dear Parents

Would you like your child to take part in Sunshine Yoga classes in September?

SUNSHINE is...

Imaginative and fun stretch and relax classes for children. Yoga postures, breathing and relaxation techniques are woven together into exciting stories. In the safety and familiarity of school and amongst their reception friends, children can have wild adventures and go on heroic journeys.

Classes end with relaxation, using visualisation and breathing techniques.

Anne Batcheler is ...

A qualified and insured teacher of yoga for children (trained with YogaBugs). She runs clubs in several local schools and nurseries. She was an infant school teacher for 15 years and has 3 children of her own.

Regular stretch and relax classes can have the following benefits:

Breathing exercises improve concentration and energy levels, whilst promoting healthy sleeping patterns.

Relaxation techniques clear the mind, allowing for better memory retention, whilst calming symptoms of anxiety & nervousness.

Postures help recharge a weak immune system and strengthen the core stabilising muscles of the abdomen and back whilst they help to tone the body and reduce the rising levels of childhood obesity.

Classes maintains a child's natural flexibility and develops agility and stamina.

Affirmations help children feel more confident.

Class will be on a Thursday before school from 8:15 – 8:45am
